Developmental Milestones In Your Child's First Two Years

presented by: Amy Eisenberg, MD

THURSDAY, AUGUST 19 | 5:30 P.M. TO 6:30 P.M.

Developmental milestones are things most children can do by a certain age.

During this seminar, SMG pediatrician Dr. Amy Eisenberg will discuss:

- The types of milestones your child has reached
- What to expect next
- What to do if there is a delay
- Screenings
